

**ZION MISSION SCHOOL**  
**IT PRACTICAL – CLASS X**  
**Written Work / Practical Record**

Students will perform the following practicals in the **Computer Lab** using **Microsoft Word** and/or **LibreOffice Writer**.

**Practical Questions**

**1. Application Letter**

Create a properly formatted **Application Letter** to the Principal of Zion Mission School on any suitable topic.

**2. Notice**

Create a properly formatted **School Notice** on any suitable school event or activity.

**3. Newspaper Front Page**

Design a **Newspaper Front Page** containing a newspaper name, headlines, news articles, images, date and other suitable elements.

**4. Resume**

Create a neat and properly formatted **Resume/CV** for a Class IX student.

**5. School Identity Card**

Design a **Student Identity Card for Zion Mission School**, including the **school logo**, student's photograph and necessary student details.

**6. Design a Logo**

Design a creative and attractive **Logo for Zion Mission School** using suitable shapes, text and drawing/formatting tools.

**RULES FOR IT PRACTICAL COPY**

1. Use a **practical copy** similar to a **Botany/Science practical copy**, having **ruled pages** and **blank/white pages**.
2. On the **ruled page**, write:
  - **Practical No.**
  - **Date**
  - **Question/Objective**

- **Tools Required**
  - **Steps/Procedure**
  - **Result/Output**
3. The **Steps/Procedure** must be written by the student based on the practical performed in the computer lab.
  4. On the **blank/white page**, **draw or paste the printed output** of the practical.
  5. If the output is printed, cut it neatly and **paste it properly using glue** on the blank/white page.
  6. The output should be **clear, neat and properly arranged**.
  7. Students must perform the practical using **Microsoft Word and/or LibreOffice Writer** in the school computer lab.
  8. The practical work should be completed **in the given order (1–6)**.
  9. Maintain proper handwriting, spacing and presentation throughout the practical copy.
  10. Bring the practical copy to the teacher for **checking and signature** after completing each practical.

#### 11. Practical Record Format

Students can write each practical in the following format:

| Section                    | What to Write                    |
|----------------------------|----------------------------------|
| <b>Practical No.</b>       | 1, 2, 3, etc.                    |
| <b>Date</b>                | Date of practical                |
| <b>Question</b>            | Practical question               |
| <b>Tools Required</b>      | Software and tools used          |
| <b>Steps/Procedure</b>     | Step-by-step procedure           |
| <b>Output</b>              | Draw or paste the printed output |
| <b>Teacher's Signature</b> | Signature after completion       |
